

**CLAUSE I-76 – LOWER-TIER SUBCONTRACTS UNDER FIXED-PRICE SUBCONTRACTS (August 2002)**

The Subcontractor shall, within seven (7) calendar days after his receipt of the notice of award of the subcontract, or within such time as the Subcontracting Officer may otherwise approve, submit in writing the names of all lower-tier subcontractors proposed for the work and the extent and character of the work to be done by each. (If, for sufficient reason, at any time during the progress of the work, the Subcontracting Officer determines that any lower-tier subcontractor is incompetent or undesirable, he will notify the Subcontractor accordingly, and the Subcontractor shall take steps immediately to cancel such lower-tier subcontract(s). Subletting by Subcontractor shall be subject to the same regulations. Nothing contained in this subcontract shall create any contractual relation between any lower tier Subcontractor and SURA).
